**Russia (Sanctions) (EU Exit) (Amendment) Regulations 2023 and Regulation (EU) 2023/1214 of 23 June 2023 amending Regulation (EU) 833/2014**

**To whom it may concern**

I can hereby confirm, that the **Knight Group** (Knight Precision Wire, Knight Strip Metals & Precision Metals EU) & and their trading divisions have interpreted the regulation and have applied, where possible, the necessary controls to demonstrate compliance to the Russia (Sanctions) (EU Exit) (Amendment) Regulations 2023 and Regulation (EU) 2023/1214 of 23 June 2023 amending Regulation (EU) 833/2014.

Historic stock holding of materials received by **The Knight Group** warehouses prior to the 30th Sept 2023 may not always show Country of Melt, Country of Origin or Date of Leaving Country of Origin and is assumed to be compliant as it pre-dates the Russian Sanctions.
